Levels of Fidelity VIII
September 5th to 7th 2011 at the Swiss Land Forces Training Center (AZH)
in Walenstadt (Switzerland)

Dear Guests

I'm happy to look forward to the third performance of Levels of Fidelity at the Land Forces Training Center (AZH).

This event is planned and organized by a group of international partners, namely Saab, Theissen Training Systems, RUAG and Chemring Defence. They and further well-known companies will demonstrate practically their capabilities.

We like to inform you about the Swiss Armed Forces live simulation system SIMUG and the type of use.

As the military protector of the meeting, it will be my pleasure to welcome you at Walenstadt and I look forward to seeing you at the demonstrations, conferences and to meeting you personally.

In this sense I invite you cordially to come Walenstadt and to attend "LOF VIII".

Yours sincerely

CHIEF OF LAND FORCES

Lieutenant General Dominique Andrey
